1 Introduction

1.1 About IFMS

Integrated Financial Management System (IFMS) is an e-Governance initiative of Rajasthan Government for effective, accountable and transparent Public Finance Management. IFMS has been conceptualized as an umbrella system covering all modular systems and their integration. The main objective of IFMS is to achieve computerization of state wide financial transactions and efficient monitoring and facilitate a Single Window interface across various functions.

1.2 Help Desk

In case of any query please contact at Help Desk –
