1 Introduction

1.1 About IFMS
Integrated Financial Management System (IFMS) is an e-Governance initiative of Rajasthan Government for effective, accountable and transparent Public Finance Management. IFMS has been conceptualized as an umbrella system covering all modular systems and their integration. The main objective of IFMS is to achieve computerization of state wide financial transactions and efficient monitoring and facilitate a Single Window interface across various functions.

1.2 Help Desk

![Department of Finance](image)

**Figure No.-1**

Click on Budget module for login. After Clicking on this, Login Screen will display. As shown in fig.2
Enter Username and Password and click on login button.

This form helps HoDs/BCOs in Withdraw of funds from other offices under specific budget head.

(1) HoDs/BCOs will login to the IFMS for using the web based application for withdraw the funds from other offices. The application path followed for the withdrawal of funds is as follows:

Application Path:-

Finance ➔ Budget Distribution ➔ Budget Withdrawal From Other Offices
2) User has to select **Action for withdrawal of funds.** There are two actions-

   a) **Individual**
   b) **Bulk**

(Fig. 4) from the following provided options in the Menu Page:
4.1 Individual

3) This action helps user to withdraw fund from at a time single office.

4) After Selection of Individual Action as shown in above diagram, User has to enter **Budget Head** details. The Budget head comprises of following parameters:

<table>
<thead>
<tr>
<th>S. No.</th>
<th>Head Code</th>
<th>Number of digits</th>
</tr>
</thead>
<tbody>
<tr>
<td>1</td>
<td>Major Head Code</td>
<td>4</td>
</tr>
<tr>
<td>2</td>
<td>Sub-Major Head Code</td>
<td>2</td>
</tr>
<tr>
<td>3</td>
<td>Minor Head Code</td>
<td>3</td>
</tr>
<tr>
<td>4</td>
<td>Sub-Minor Head Code</td>
<td>2</td>
</tr>
<tr>
<td>5</td>
<td>Group Sub-Head Code</td>
<td>2</td>
</tr>
</tbody>
</table>

5) User has to select **BFC Type and Head Type**.

6) Once the user has entered all the details, he has to click **search button** (Refer 1st callout of Fig. no. 5).

7) As soon as user clicks search button, validation checks occur and if user has entered correct details than it will show next screen otherwise it shows error message.

8) The following screen will displayed to user if validation check is OK.
9) User will get following parameters in this

- **BFC Unit** - The BFC unit of the entered budget head is displayed.
- **Controlling Officer** - The Controlling Officer of respective budget allocation.
